Article submitted by Assistant Coach Acorn Holds the Enemy.

Our season started out a little rocky. Covid wasn't nice to the staff in the school, causing the students to use virtual learning and caused the school to shut down at the start of the season. For that reason the team wasn't able to get in the gym to practice. During that time, we had to cancel or reschedule some games. As coaches we had to cram so much in so little time.

As the season continued we made some adjustments and the boys worked hard in practice striving to improve in each practice the boys pushed each other. The boys came together very well, we are getting up and down the floor good and the ball is moving better. Our shooters and defense has tightened up a lot. We were seeded last in the district 15 tournament as the #7 seed. The boys played hard and worked throughout the tournament and secured a spot in regionals.

Councilwoman Turner-Long Fight Update

Greetings to each of you, our elders, our community members and to those who live far and near.

Here we are in the beginning of another Season! All we can do is hope that winter is gone, I know many of us are looking forward to Spring. Easter is just around the corner. We

hope the weather is nice for our youth so they can enjoy outdoors activities.

At this time, I would like to send my sincere condolences to the family and relatives of Loretha White Owl Broncheau on the loss of their beloved one. And sending prayers to the families and relatives who recently had their family memorials. My Deepest sympathy to those who recently lost loved ones from other segments on our reservation. To those who have family members that are in the hospitals, know that we are thinking of you and praying for your recovery. Our people have gone through a tough time, I know its a good thing when we all come together as relatives and help in any way we can and for some of us all we can do is send our prayers.

Many of our community members were very excited to host Districts here at our new school. You can see photos and read how the games went in our West Segment Newspaper.

The project that I would like to mention we are planning the ground breaking for the "Swift Eagle" James Johnson, people of the willow complex for April 28th. More information and invites will be sent out.

As for upcoming tournaments we are sponsoring are as follows: March 10-12 Queen of the Court, March 17-19 Badlands, 25-26 Mandan Classic and March 29 to April 3rd All Nations West.

We hosted our first Veterans get together which was a great success!. We are planning on hosting get togethers

Monthly the next date is March 22nd at 6:00pm at the Mandaree Elders Building Veterans only.

Elton Spotted Horse will be hosting a chili cook off on March 15th.

The elders trip to Deadwood, South Dakota is scheduled for March 24 to 26th. Sign up was extended to Friday, March 10th. For any questions, or information please call Bernadine Fredericks Mendez at 421-5687. The itinerary is on page seven teen of the West Segment News.

Also our Community Easter Dinner will be on March 28th starting at 5pm at the Water Chief Hall. A reminder for our upcoming Mandaree Celebration Committee Warbonnet Parade Dance will be on Saturday, April 29th so you can mark your calendars.

I want you the people of our community to know that my team and I have been working very hard for you all in making our community goals a reality. I want you to know that I will continue to work hard and stay focused on our own West Segment community.

I have mentioned this before and I will say it again, everything takes time and patience and in good time we will begin to see all these buildings with all the construction happen very soon.

I just want each of you to know that I lived most of my life in Mandaree, I only left to get an education. Mandaree is my home and I want the best for all of us, so with that in mind I will continue to work hard and do my best.

This is all I have for now, keep reading our monthly newspaper for what's been happening in our community.

Thanks for being a good reader

GoWids

Information For West Segment Elders

Greeting Elders far and near, we have had a lot of snow here for the month of March. I am hoping when Spring is here everything will be green. Spring is supposed to be here on the 20th of this month. I am hoping our weather changes by then but you never know this is North Dakota so our weather changes a lot.

We have a number of events going on this month and Easter is just around the corner.

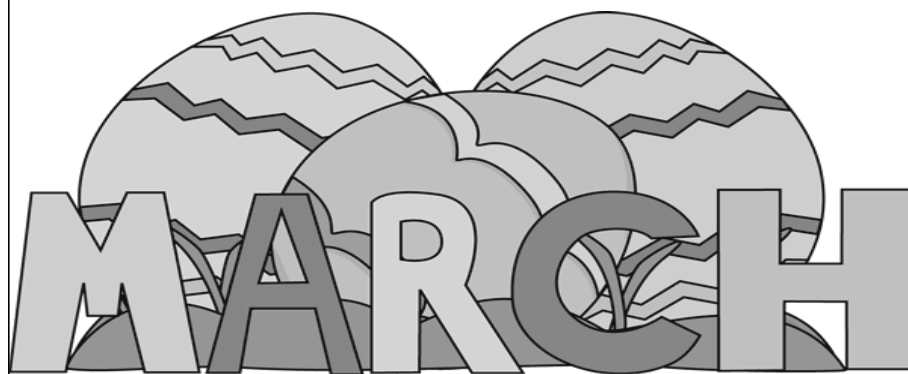

Our community will be celebrating our West Segment Easter Egg Hunt and Dinner on Tuesday, March 28 at the Water Chief Hall . The doors will open to the community at 5pm with a dinner and update at 6pm. There is a number of activities for all ages they have a egg toss, and gunny sack races, pictures with the Easter bunny and Easter baskets for our youth. They will have a guesstimate for jellybeans which will be 50/50 half going to the guesser and the other half to the Emergency Closet.

Another highlight during the dinner West Segment will be honoring Dallas Fox Osborne from the Fort Berthold Rural Water.

Dinner will be provided by the West Segment employees, if you would like more information feel free to contact Renay Brown the Events Coordinator at 421-4641. You can read more on the poster its on page 28 of the West Segment Newspaper.

Also our elders who signed up for the Deadwood trip they will be leaving on the 24th of this month. We have our itinerary ready so you can look at it on page 17 of the West Segment News.

The Beautification Program has been going around and shoveling the snow away for the elders walk ways and their ramps. They also shoveled snow where you walk to your home and shovel your drive way as well. If you need help feel free to call Hope Baker at 421-5474. She will get in touch with the workers at the Beautification program so they will be able to help you with your recent request. All requests must go through Hope Baker.

Happy Birthday Wishes to our Elders:

Millard Bill Hale Sr.

Wendell White

Don Hall

Harriet Goodiron

Michaela Bacon

Eric Grinnell

Doris Mossett

Happy Birthday with many blessings to you all!

Again elders if you are going outdoors please be careful if your area is icy, we don't want you to fall down and get hurt. Always have help from someone if you can.

Also keep in mind COVID is still here so take precautions wear a mask and always, always wash your hands.

Sincerely,

Rosie Johnson, Elders Advocate

3 Women Were Honored from MHA Nation Who Represent On a National and State Level

We have so many talented, gifted, intelligent and educated women from our West Segment community. We are all so very proud of each and every one of them. Even if they're not on this page we all know who they are. We have woman leaders from our community as well, our own Councilwoman Ms. Gladys Sherry Turner-Lone Fight who is not only our leader, she is a wife, mother and grandmother

as well. Councilwoman Gladys Sherry Turner-Lone Fight is pictured with Norma Baker Flying Horse, AKA Red Berry Woman, whom she recently honored during the boys District Tournaments hosted by Mandaree School. Red Berry Woman was recently recognized at this year's Grammy's for the Cultural Recognition Award. She has also been interviewed by KFRY in Bismarck twice and was on the Morning show a few days ago. Red Berry Woman is also a wife and mother. "I would like to say a huge thank you to West Segment Councilwoman Gladys Sherry Turner-Lone Fight and her West Segment Community staff for acknowledging my Red Berry work and for the beautiful star quilt I was gifted. I am very proud to call Mandaree my home since childhood and to be recognized by my Hidatsa people means the world to me. I wouldn't be who I am today without my tribal people". ~Red Berry Woman~

Another young talented woman who was honored the same evening even though she couldn't make it. She currently lives in Los Angeles, California. Who is now a Professional Make up Artist. Martha Phelan she grew up here in Mandaree, Martha was booked for this year's Grammy Awards in Los Angeles, California. She has come a long way, since 2017 when she decided she would start in the make up industry and since then has had many great

great opportunities in working with celebrities and on movie sets. She has a passion for make up. Her goal is to be represented by an agency and win awards for artistry in the make up industry. Martha is a mother to her daughter and she still balances the time for her passion of make up and being a mother to her daughter. Martha was honored by Councilwoman Gladys Sherry Turner-Lone Fight with a beautiful star quilt.

The third woman who was honored the same night was a prominent young woman, Lisa Finley Deville who is currently our North Dakota District 4A House Representative. Lisa brings a stronger leadership within the walls of the Capital building in Bismarck, North Dakota. Lisa's is also known as Maheahzah Ahgawish (Accomplishes Everything) a name that suits her well. She has lived in Mandaree her whole life in Mandaree, North Dakota which is located on the Fort Berthold Reservation. Lisa and her husband Walter Sr., have five children and seven grandchildren. Lisa parents are the late Marcia White Eagle and the late Robert "Bobby" Finley Sr.

Lisa has ten years or so of grassroots organization to protect the future generations of North Dakota. She was co-founder and creator of a grassroots group Fort Berthold Protectors of Water and Earth Rights (POWER). She serves on the Dakota Resource Council (DRC) Board of Directors. Also on Western Organization of Resource Council (WORC) Board of Directors and member of DRC Oil and Gas Task Force. Lisa is very instrumental and active in many organizations. Lisa received her Master of Business Administration and Master of Management from the University of Mary. She received her BS Degree in Environmental Science, an Associate of Science in Science and a Associate of Applied Science in Information Management Specialist from the Nueta, Hidatsa Sahnish College located in New Town, North Dakota. Lisa is a very well accomplished women we are all so very proud of these three young women.

Here is Tessa Holds the Enemy Abbey Miss Denver March Pow Wow Princess stands with the Young Bucks Coach Fred Hale, whom she gifted a Pendleton blanket.

Miss Denver March Pow Wow Princess Tessa Holds the Enemy Abbey stands with the players of the Young Bucks team. The parents of the Young Bucks traveling team are very thankful that she thought of our youth. She took it upon herself to help support and encourage them. Once again they say thank you Tessa and family.

Tessa has done a lot in her young life, she is currently Miss Denver March Pow Wow Princess, who graduated early from high school, got her own vehicle, and enrolled in college right after high school. She accomplished all of this while being a older sister to her siblings. This weekend of the 17-19 she will be at the Denver March Pow Wow where she will hand over her reign to the new 2023-24 Miss Denver March Pow Wow Princess. Tessa is one fortunate young lady, she has the strong support of her family. In her own determination, Tessa has raised monies on her own by having raffles with beaded items and made crafts to make money to pay for college. Her parents are Donovan and Caspie, who have done an excellent job in raising her and giving her guidance. Through her family guidance she is very knowledgeable of our Hidatsa ways of life, she learned how to give back to our community. As part of that Tessa brought her own check book and wrote her first check to the Young Bucks basketball traveling to help them with expenses when they are on the basketball trail. Tessa gladly shared some of her profits she made from her tshirts and button business. She loves how all the parents come together for these little guys and support them.

Student of the Month from UTTC

Photo and information from West Segment Community Events FB page

You can ask anyone who has gone to college and graduated with their degrees that it takes dedication and commitment to reach our goals. For this young lady who is an U.S. Army Veteran and is currently studying social work at the United Tribes Technical College in Bismarck, North Dakota. Is certainly on her way! Her name is Robin Jade Fox, who was recently selected Student of the Month! On behalf of West Segment we would like to congratulate her on being selected as student of the month at UTTC. We wish her the best as she continues her education in social work. Her parents are Cheryl E; Fox and Bill Hale Jr., and her special guardian her uncle Dale Fox.

2023 District 15 Boys Basketball Tournament at Mandaree School

Article & photos by Leeanna Nation and second write up by Elmer Flying Horse Sr.

Although it wasn't the actual first time Mandaree hosted a District basketball tournament, it was the first time they were able to host the tournament in their very own school. What was a bittersweet ending to the last district 15 basketball tournament as we have known for years, the North Dakota High School Athletic Board approved a new three-class basketball system this coming fall, that terminates District #15 and puts Mandaree Basketball in district #6.

After weeks of planning by Mandaree School Athletics Director Elmer Flying Horse Sr., along with staff, faculty, students and the West Segment office, Mandaree hosted a magnificent tournament that would be talked about by many in a positive way for weeks to follow. Basketball fans came from near and far to see their fight their way to the Regional Tournament to be held at the 4 Bears Event Center.

There was delicious food for our visitors to enjoy and the food was sold by several different classes and student council throughout the weekend. The Young Bucks' Traveling Team played during half time, the Mandaree School Drum was on hand to sing for the dance

Group's Debut Performances. The Mandaree Warriors Cheerleader's Dance Routine, and our very honorable military Posts carrying in our flags, VFW 9061 and Myron B. Johnson/ Nathan Good Iron Post 271, the Mandaree Community facilitated all of this that was very entertaining in making this a successful tournament.

The 2023 District #15 Championship title would go to the Warriors of White Shield. They went into the tournament seated #1 and would prove their standings right as they earned themselves a first round bye, then downed Alexander in the semifinals 59-37 and defeated the Trenton Tigers 60-52 to capture a well-deserved District 15 Championship Title. Head Coach Shaun Knife said his team's goal was to go undefeated in the district play. After squeaking out of the districts last season he said he knew his team had more talent and was better than that. Senior Jace Dickens became Coach Knife's first athlete to surpass their 1000 points mark, who he says stepped up to the challenges and performed well in District play.

District 15 Coach of the Year also went to Warriors' Coach Shaun Knife as he shared this award with Parshall Braves Head Coach Kolby Rabbit Head. Knife states; I owe all the credit to the people who were there to support me from day one. From the school board to the Administration to the players and to my family for sacrificing their time to help me. Coach of the year comes from my students/athletes showing up and being ready. None of it was possible without their hard work and determination to win games.

Our Mandaree Warriors broke a three-year streak of missing the Region 8 Basketball Tournament to finish in 4th place in the District 15 Tournament beating out the Newtown Eagles 55-43 in the semifinal round and out scoring Alexander 69-61 in the consolation game to keep their season alive and advance to the Region 8 Tournament. Although Mandaree was seated last in the district they showed everyone what their goal was, to make this year's regionals.

Parshall Braves who is co-op with North Shore Plaza would beat Mandaree the first round 60-45, have a bye the semifinal round and take on the Williston Trinity Christian Crusaders in the consolation round, but were ousted by the Crusaders 57-53 bringing the Braves season to an end.

2023 District 15 Boys Basketball Tournament at Mandaree School

2023 District 15 Boys Basketball Tournament Held at Mandaree Public School in Mandaree ND, February 24, 25 & 27.

Submitted by Elmer Flying Horse Sr.

I do believe this is the first time Mandaree School has actually hosted a Tournament in their own school.

The last time Mandaree hosted was in 2018 and that was the Girls District Tournament at Four Bears Event Center.

I think overall we did an outstanding job. From the school staff to the Parents and most of all the Mandaree Community. Mandaree has a lot to be proud of and they definitely showed it that weekend.

Being a first time AD it was a lot of pressure and a lot of work to organize this event and it was definitely a humbling and learning experience. I received a lot of good positive feedback and compliments about our school and staff and community from the visitors, school AD's, the radio broadcasters and photographers and journalist that came and enjoyed the tournament. I'm going to take what I learned

from this year and apply it next year and in 2025 when we might be hosting the District 6 Girls Basketball Tournament. I say might because Washburn's new gym is still under construction and if it is not ready by then, than Mandaree will be host. I would like to personally thank the Mandaree School Staff and Facilities for coming in early to help get set up and for staying late to help clean. The parents for helping out the students in their various class fundraisers from cooking to serving food. VFW Post 9061 & Myron B Johnson / Nathan Good Iron post

271 without their services we wouldn't be able to enjoy the freedoms we have today. To Sherry Turner-Lone Fight and her staff at West Segment for all their help. Our School Board for donating their time to help with various jobs throughout the tournament and to RoseAnn Johnson for helping with the hospitality room. If I forgot anyone I apologize. I am looking forward to continuing to build our athletic department at our school and helping to make our Mandaree Parents and Community proud.

Thank You.

Pictured to your left are the Mandaree Warriors who placed 3rd at Districts.

**WATER CHIEF HALL
MANDAREE, ND 58757
OFFICE: (701) 759-3377
FAX: (701) 759-3232**

Greeting:

On 23 Feb 2023 at 1800 hrs (6:00pm civilian time) I had the opportunity to introduce myself as the newly appointed Veterans Liaison for the West Segment Department. The department invited as many veterans who reside in the West Segment community to share a meal which was provided by Councilwoman Gladys Sherry Turner-Lone Fight and her staff which we are so appreciative. It was a memorious moment as we had the honor of celebrating the late Cpl Nathan J Good Iron's 42nd birthday with our Gold Star Mother, Harriet Good Iron. In attendance we had 11 US Army, 4 United States Marine Corps, 1 Navy veteran.

As the Veterans Department liaison our motto is "The Mission Continues". We would like to give the veterans of West Segment the opportunity to continue serving their communities, even after their tour is completed. Working with the MHA Veterans Department, local, state, local programs we are incorporating the VA (Veterans Affairs) ICARE.

- I-Integrity
- C-Commitment
- A-Advocacy
- R-Respect
- E-Excellence

My job duties as the West Segment Veterans Liaison:

- Assist veterans with claims for VA benefits and medical services
- Compensation for disabilities
- Health care programs
- Memorials and burials
- Pensions
- If need to transport veterans to and from local VA hospitals and clinics

The veterans outcome will be our driving force in all we do for this department and our community as you the veterans whom have sacrificed for your country and to also remind you that you are not forgotten. This includes the ones who are still serving our great nation. If you know of any active duty veterans please let our department know, as we would like to send care packages, send cards for birthdays or national holidays. To ensure that their loved ones are thinking of them while serving, because without them we would not have the freedom that we have today. If you have any needs such as medical records, DD214, Claims for standard government headstone or marker please contact me. My office is located upstairs inside the Water Chief Hall or you can reach me via email aabbey@mhanation.com or cell: 701-421-5076.

We have another meal for veterans set up for March 23 @ 1800 hrs at the Elders building. Hope to see all the West Segment Veterans there.

Sincerely,

Aron Abbey, Veterans Liaison

West Segment Veterans Dept. Features Veteran of the Month

Submitted by William A Reeves

Hello, my name is William A. Reeves. I currently reside in the Black Eagle Estates here in the West Segment community with my wife Ethel (Baker) Reeves. We were married on June 18, 1960 in North Carolina. We were both stationed at Fort Lee, VA.

I joined the U.S. Army on December 28, 1958 at Abilene, Texas. I was then taken to Fort Carson Colorado, after two days at Fort Carson I was put on a airplane and flown to Fort Benning, Georgia. After basic, I went to Fort Rucker, Alabama for helicopter training. Then I was sent to Fort Sam in Houston, Texas for combat and medical training. I was later sent to Fort Lee for my first assignment, and I never used my training. They assigned me to a general office working in personnel. It was there that I met my future wife (Ethel Baker) after we were married, we both got orders to go overseas. I went to Germany and Ethel went to Okinawa, Japan. We both worked in personnel, Ethel was in student personnel and I was in regular personnel my MOS was 716.60.

Departed for Germany on July 7, 1960 I was assigned to headquarters company I was Spec 4 at the 6th Howzier, 18th Artillery. Time of release from Army 3rd Infantry Division APO 162. Returned to Fort Hamilton, New York discharged March 2, 1962.

Today I am a life member of these organizations:

- American Legion Post 271 Mandaree
- Veterans of Foreign War 2973 Minot
- DAV Unit 9 Williston
- VVA 1114941 Minnesota
- International War Veterans Alliance
- I was also a member of the Rockville Elks Club 2296.

When I moved to Watford City in 1996, I served as Chaplin for 271, 9061, 253 Posts. We lived in Washington, D.C. area for thirty five years while there I was a coach for twelve years in Maryland I coached football and basketball. I played softball, basketball, bowling and golf was a big part of my recreation.

When we moved to North Dakota I joined the Mandaree soft ball team, at that time it was led by Melvin Fox, Darren Fox and D.J. Fox, Fred Hale and others. I also played with a team at Four Bears I played until I turned 70 years old.

In two more months I and Ethel will be married for sixty three years. Ethel and I have raised our four children; Delia, Delvin, William II and Philip. We are the grandparents to twenty seven grandchildren and we now have fourteen great grandchildren.

It is an honor for me to be selected Veteran of the Month. I would like to thank everyone who had a part in this nomination. There are more veterans living in Mandaree who deserve the honor more.

Thanks for the Honor

Always

William A Reeves

Conveniently located in New Town, North Dakota.

From District 4A Representative Lisa DeVille

The North Dakota 68th Legislative Assembly

On 3-10-23 HCR 3028 Spill Study on ND state highways within the boundaries of Ft. Berthold Reservation failed in the House, 17 yes and 72 nays. Thank you to all of the house democrats and the four house republicans who supported. The House Energy and Natural Resources committee said that it was on Ft. Berthold Reservation so it is the federal government that we need to work with (this was told to them by ND Legislative Council who helped write HCR 3028). Prior to the House Energy and Natural Resources committee voting on this study in their committee and before House vote on 3-10-23, I tried to get Chairman to support. Was told even if he did it would have not mattered.

This was one of my campaign plat forms. I was not disappointed. Now the House and the people of ND know the need for this spill study. I will continue to work find solutions. I did write a statement prior to the House voting on HCR 3028 here its is below:

Thank you, Mr. Speaker,

HCR 3028 is to study spills for a baseline study on state Highways on Ft. Berthold Reservation from oil and gas development with the assistance from DEQ who works close with EPA. I would like to say that I am not against oil and gas it has brought much prosperity to Ft. Berthold Reservation and North Dakota. 15 years ago, my grandmother was brought a oil and gas lease to sign from group of people with oil and gas. Prior to her signing I asked them what's going to happen to environment and what about reclamation, remediation? The oil and gas people said we will take of the environment if anything happens. As the years pasted and spills occurred I kept asking questions and no one seemed to know what to do. My tribe did not know either because we are taught to take care of the earth.

This baseline study will educate and give the knowledge to our future generations and the people who live on Ft. Berthold Reservation for a better understanding of the environmental impacts of vegetation, soil, water quality, insects, and all species of domestic and wild animals and to finding solutions.

Please vote green

3-2-23 my resolution HCR 3027 failed on the house floor but we can do an mou with dot. Working with lobbyist. Fegley from district 4B voted no. Important to note he is from district 4.

3-2-23 resolution/study HCR 3027 safety corridors on state highways within Fort Berthold Reservation was heard by House Transportation Committee. I introduced this bill to address the need for safety on state hwys within Fort Berthold Reservation and to ensure DOT follows through with their plan because it's been 15 years of oil and gas traffic impact while all the other communities surrounding Fort Berthold Reservation have received their safety corridors 8 years ago. Wendy Wells, Rosie White Owl, Charlie Vigen, and Sherry Turner-Lone Fight gave testimony in their support of HCR 3027.

Later in the afternoon House Transportation committee voted for a do not pass motioned by Representative Murphy who stated he asked law enforcement who said they aren't enforcing it so this bill won't change that. DOT said they did millions in work and there are funds and plans to do much of what has been requested and this bill wouldn't move things faster. You can view HCR 3027 in its entirety on North Dakota Legislative Assembly website. Thank you, Wendy, Rosie, Charlie, and Sherry, for

testifying in support of HCR 3027!
Representative Lisa Finley-DeVile

HCR 3027 a study in consultation with the ND Department of Transportation, needed safety improvements to State Highways within the boundaries of Fort Berthold Reservation was voted anonymously and failed on 3-6-23 in the House with 35 yes (I only got the 35 yes and not the no votes). Representative Murphy was the Energy and Natural Resources committee bill carrier. Who stated that he visited with MHA nations law enforcement who should be enforcing the laws on oil and gas vehicles and that ND DOT has a plan and lots of money has already been allocated to the state highways on Ft. Berthold.

The next day I followed up with representative Murphy on his statement that he visited with MHA law enforcement and Safety officer who should be enforcing laws on oil and gas vehicles. Murphy was visiting with the wrong MHA departments.

I will continue to find solutions that our state highways on Ft. Berthold Reservation are safe.

Thank you, Mr. Speaker.

HCR 3027 was introduced because for 13 years North Dakotans living within the exterior boundaries of the MHA Nation, school buses, parents and grandparents transporting their children or grandchildren to and from school and first responders have been at high risk for collisions involving oil and gas vehicles on state highways within the Fort Berthold Reservation. DOT does have a plan for round a bouts for junction 22 and 73 and junction 23 and 8, yet it does not fully address safety needs for state highways within MHA Nation.

State Highways on Fort Berthold Reservation are managed and funded by the state. Bureau of Indian Affairs roads on Fort Berthold Reservation are funded and managed by the Bureau of Indian Affairs. The MHA Nation manages and funds its community roads on Fort Berthold Reservation. This bill is needed because two months ago an elementary school age child was hit by a semi-truck while crossing the walk way on state highway 23 at Bakersfield to get on the school bus. The child survived but suffers extensive injuries from which recovery is unknown. The semi-truck driver said he did not see the child. The location of this accident is not addressed in the current dot plan.

Mr. Speaker, may I continue? Members of the house I want to emphasize the relationship between MHA Nation and the State of ND is good. MHA Nation is supportive of energy production and I want assure the safety of North Dakotans living in the Bakken oil and gas formation and the people who work there. I urge you to vote green.

Representative Lisa Finley-DeVile

For Your Information

Ask Big!

Too many times people ask God for such small things. They expect so little from God. My thumb hurts so I ask for this pain to go away but this thumb is on an arm that has shriveled up due to a stroke. Why not ask for all conditions that were affected by the stroke – my withered arm, my entire left side, my speech, my brain? Jesus loves his Father and wants to do anything that will glorify his father – “whatever you

ask in my name, I will do, so that the Father may be glorified in the Son” (Jn 14:13). Restoring the entire left side of a stroke victim will glorify the Father. Restoring the ability to walk for a person bound in a wheelchair from early childhood will glorify the Father. Bringing an in-utero dead baby back to life certainly glorifies the Father. When others hear these answered prayers, it evokes the “wow factor” and increases our faith in God, encouraging us to ask for big things.

When we ask for things that will glorify the Father in Jesus’ name, the Father can’t resist answering our prayers. Asking with this in mind helps us put on the mind of Christ, to become his disciple. As disciples, Jesus promises us much: “If you remain in me and my words remain in you, ask for whatever you want and it will be done for you. By this is my Father glorified” (Jn 15:7-8).

There is a lot to pray for in our area – victims of drugs and alcohol abuse, victims of domestic violence, victims of human trafficking, crime, sickness, fear, hopelessness, physical, mental, spiritual, historical trauma, the list goes on and on. Would that more people step out in faith and ask God to heal these people trapped in this darkness, the glory of the Father would brightly shine and people would experience the joy of the Lord as never before. People would see the power of God and know that the Kingdom of God is truly here present amongst us driving out the darkness and heaviness that we all feel due to all the deaths and other consequences of this darkness. Ask. Again, Jesus says, “everyone who asks, receives; and the one who seeks, finds; and the one who knocks, the door will be opened” (Luke 11:10). What does a person have to lose? Ask big.

May God Bless you always

Have a great day with Jesus Christ

Fr. Roger A. Synek

St. Anthony’s Catholic Church

Thank You so much!

A huge thank you to the 2023 Mandaree Celebration Committee and everyone at bingo for helping and supporting us, as we get ready to make our trip to Minneapolis, Minnesota. Alyias is finally going to visit with the Specialist and undergo four days of testing for his pancreas.

We are very thankful for the Mandaree Celebration Committee for coming together, as quick as they did to help us out with our expenses.

Again we say thank you to everyone for all your support!

Acorn & Anastasia and our son Alyias

2022-23 Mandaree Celebration Bingo

Attention Bingo

Players:

The Committee’s Bingo fundraisers will be held every Sunday at 3:00pm at the Water Chief Hall. Bingo, lunch sale, door prizes and baskets. This coming Sunday will be a Cash Bingo with the following Sunday a prize bingo. Please keep in mind our bingo fundraisers will automatically be cancelled due to wakes or bad weather. Thank you for your supporting you local celebration committee and have fun playing bingo!

Obituary

Loretha Lynn (White Owl) Broncheau, a child of the Knife Clan, was born on October 4, 1987 to Gilbert and Josephine White Owl in Watford City, North Dakota.

Loretha spent the majority of her life in Mandaree. In her youth, she enjoyed playing basketball, riding horse and spending time with her friends. She graduated from Mandaree Public School in 2006.

After high school, Loretha attended Minot Job Corps where she completed her CAN in less than one year. She continued to live and work as a CAN at Minot Trinity Homes. During this time, she met William, whom she married on September 16, 2011 and from this union came four beautiful daughters.

They decided to relocate to New Town where Loretha worked as a CAN at the Lakeview Nursing Home. Loretha enjoyed traveling with her family, attending sun dances, going to casino and playing darts as well as spending time with her family and friends.

Loretha was loved by everyone who knew her. She always greeted you with a smile and a big hug. Loretha was loved dearly and will be greatly missed.

Loretha is survived by her husband, William Broncheau, daughters; Shylee, Tasheena, Jaslyn and MaCaylee all of New Town. Son Dakota Broncheau (OR); mother, Josephine White Owl (Bismarck), brother Gordon (Glory) Mandaree, sister; Crystal (Bismarck) and numerous nieces and nephews to many to mention.

Loretha is preceded in death by her father, Gilbert White Owl, sister; Shelia White Owl, Paternal Grandparents; Maternal Grandparents and numerous family members.

Obituary
