Each banner with the names of Clans were displayed in front of the announcers stand. MC Charlie Moran stands in front looking on before the celebration begins.

We have all waited for a long time since Covid to gather as a people and enjoy ourselves. It was indeed a great time to come and dance or be a spectator and visit friends and relatives. The West Segment Cultural Department asked to put on a celebration due to community members wanting a celebration. Since the 2020 Mandaree Celebration decided not to have a celebration this summer, it was a good time for the West Segment Cultural committee to step in. The TBC distributes funds to every celebration in each segment so if you don't use these funds then it boils down to use it or lose it. No West Segment funds were used on this Gathering Celebration. The Committee members were as follows; President~Maybella Lone Fight, Vice-President~Aaron Abbey, Treasurer~ Doreen Charging, Secretary~Lindsey Fox Sepeta. On behalf of West Segment we say thank you to Jerrilynn Lincoln for her enormous contribution to the Celebration. Jerrilynn your amazing to give back to your community! Again we thank you for your generosity. A thank you to the West Segment employees for all their help in making this celebration gathering a success. More photos on pages 4, 5 & 6

Councilwoman Turner-Long Fight Update

First of all, I would like to offer my sincere sympathies to the families and relatives of Darrell Birdsbill, Joann Standish Cummings., Houston Horn and Delbert Fry. I have mentioned Delbert Fry and Darrell Birdsbill in my last update. Just to let you know their obituaries are in this months paper.

For the month of July our staff here at West Segment has been busy with all the activities going on here in our community. We gave out all the mega passes for the State Fair to those who picked up trash in their designated areas. Do continue to keep your areas clean it helps keep our community nice.

The Mandaree Gathering Celebration is now in the books we do have pictures for you on pages 4 to 7. What was so unique about this gathering celebration was the cultural department recognized our clans. Each of these clans had colored t-shirts to identify which clan they were in. There were banners in front of the announcers stand with each color representing each clan. It was awesome to witness the clan members come

into the grand entry holding a banner

representing their clans before the celebration began. The photo of the banners in front of the announcers stand is on the front page of this newspaper.

I would like to commend the Myron Johnson/Nathan Good Iron Post 271 for their commitment and dedication for the early morning hours of flag raising. The Posts throughout our reservation are always there right along with the families of the flags being raised.

Flag raising at the 2021 Mandaree Gathering Celebration at the celebration grounds here in Mandaree.

We also did a Memorial ride for those lost to Covid-19,

drugs and alcohol. In the picture above you can see some of the riders as they ride into Mandaree to the celebration grounds.

It was a good time many community members attended we had visitors come and participate in the celebration gathering. For a one day celebration it turned out great. It was nice to see a lot of community members come and enjoy a day of dancing and for our flag raising. I would also like to thank the West Segment employees who were on hand to help, everyone did a great job in helping us keep the grounds clean or just being there helping thank you! Your help was greatly appreciated.

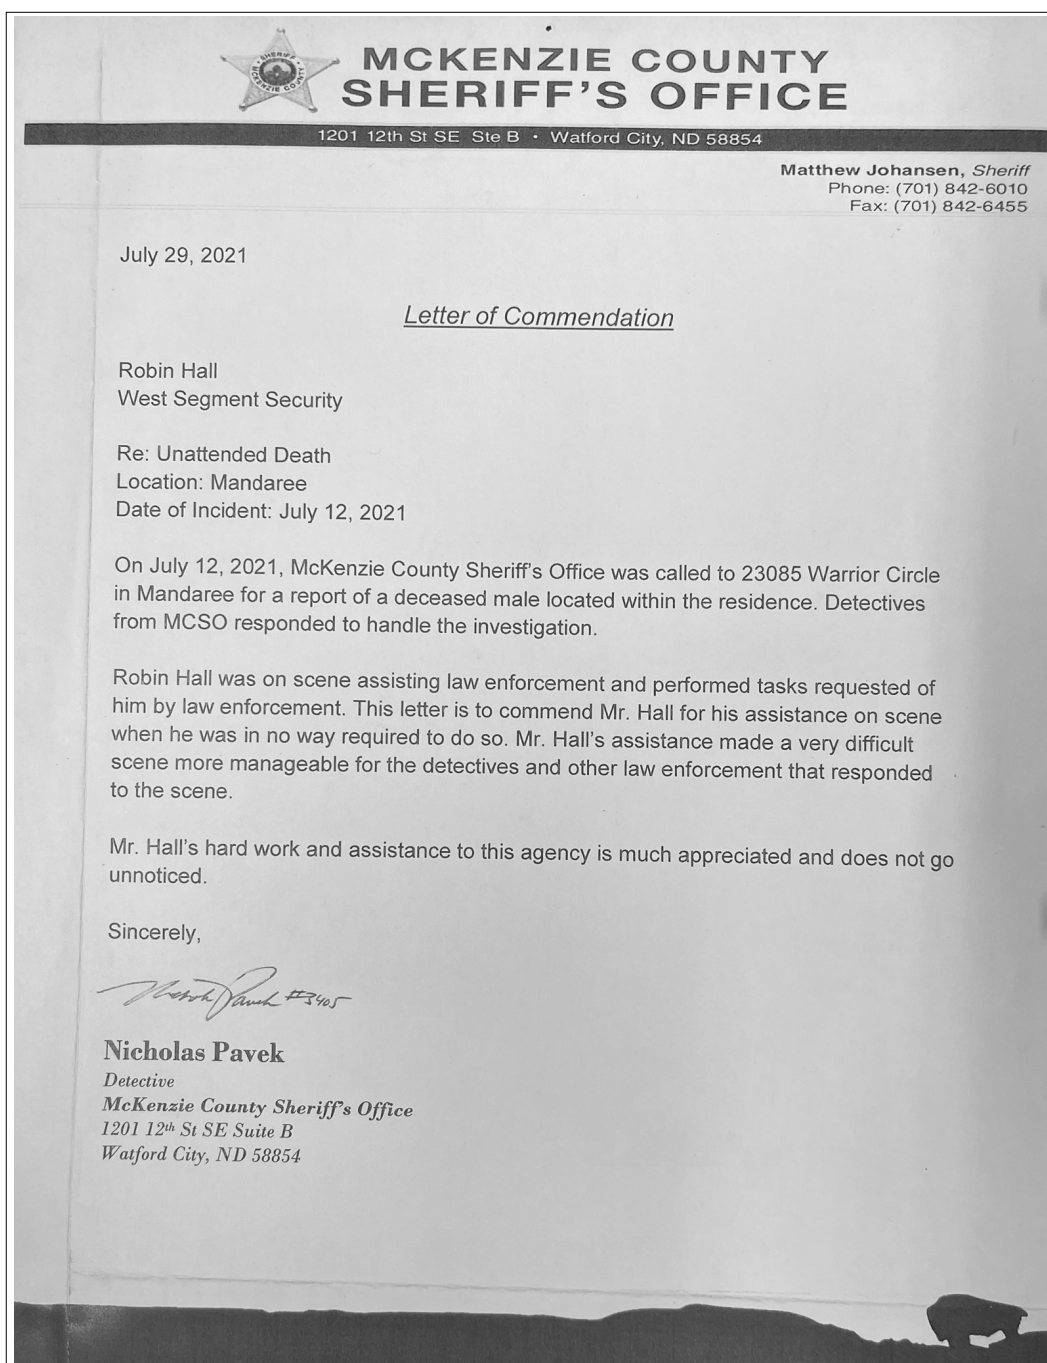

Councilwoman Turner-Long Fight Update

As we move into another season that's coming upon us, I would like everyone to read the following and to give it some serious thought for your own health as well as your family and extended family and relatives.

History of our people shows us and tells us of our trials and tribulations to make and take what our lives faces us in times of phantom, starvation, disease, poor no or little money or vehicles. We survived the plagues of measles, Colori, sleeping disease, small pox, no hospitals etc. and staying alive and carrying our way of life to the fullest. Today we are faced with a similar plague called Covid 19 similar to polio and small pox and deadly if you catch it. Take a look or listen to the news going across all the major television stations. And the major big companies who employ many citizens across America and the world are mandating their employees get a vaccination immunization shot or be fired from their jobs in order to help spot the spread of this killer plague.

I will not mandate West Segment team members to get vaccinated or lose their jobs. However, I am urging all team members to cooperate with the Center for Disease Control by getting your shot. West Segment has lost to many people already to this Covid 19 let's not lose anybody else; please get your preventable shot now. Contact Mandaree Field Clinic at 701-759- 3422 or to make appointment at Elbow woods Clinic 701-627-2707 **STAY WELL!!**

A letter of Commendation was recently given to Robin Hall, who works with our West Segment Security. Robin has been employed with us for quite some time now. On behalf of our West Segment staff I would like to congratulate Robin for his service to our community. We appreciate our staff here and the work they do for our community and I am very happy to know that the McKenzie County Sheriff's Office recognized him with this letter of commendation. It gives me a good feeling to know that a member of our community is recognized from a work place outside of our reservation. It says a lot that we have good people living in our community. So with that, I wanted to share this letter of commendation from the Mckenzie County Sheriff Office with everyone in our community so you can read it.

On August 11th we had the West Segment Back to School Bash it was held at the Mandaree Celebration grounds. They had haircuts by "Fresh Colors, Fades & Tanning" Music by D-Jay Rocks Music and Light Show" Free back packs, and bounce house. The food was provided by the Mandaree School.

Before I close this month's update I would like to remind everyone to drive safe and drive slow when you are going through our community. Mandaree School students will be in the classroom on the 16th of this month.

A new season is coming upon us fast, fall is just around the corner. If you haven't been vaccinated please do! Think about your children and grandchildren. Enjoy the Little Shell Celebration!!

Mandaree Gathering Celebration

Leading the Clans were the Apuhgah Wigaa Low Cap carrying their flag with Clan members. Clan members wore yellow t-shirts.

The first grand entry for the day. As the Color Guard Myron B. Johnson Nathan Good Iron Post 271 led in the clan members and dancers.

With the hot temperatures out the Mandaree Gathering had a great turn out for the one day celebration. Water was handed by the EMT staff to everyone in the audience so they could keep hydrated, especially our elders.

The grand entry was different because every Clan among the Hidatsa and Mandan people on our reservation were recognized. It was an awesome site to see members who were here at the celebration dance in with their clans. Each Clan was given a banner with their clan on it each member of the clans were given colored t-shirts to wear representing their clan. Here are a list of the clans and the colors they used in grand entry;

- | | |
|--------------------------|-------------------------|
| Low Cap~ Yellow | Water Buster~ Green |
| Knife Clan~ Blue | Prairie Chicken~ Purple |
| Alkalai Lodge~ Turquoise | Wide Ridge~ Red |
| Dripping Dirt~Lime green | |

The t-shirts were ordered and paid for with an enormous contribution by Jerrilynn Lincoln. On behalf of West Segment we say thank you to her for contributing to this celebration gathering. Thank you for giving back to your community. Her name is on each and everyone of the t-shirts given to all clan members who were at the celebration.

The Meeci Rooga Knife Clan members carrying the blue banner and wearing blue t-shirts.

Maxooxadi Alkalai Lodge members carrying in their banner and wearing their turquoise t-shirts.

Mandaree Gathering Celebration

Entering the grand entry are members of the Miri baadi Water Buster Clan carrying their banner and wearing green t-shirts.

The next clan carrying in their banner was the Ciisga Prairie Chicken Clan members wearing their purple t-shirts.

The Awaaxa Dripping Dirt Clan members carry their banner. With their lime green t-shirts.

The only Clan that didn't participate in the grand entry were members of the Wide Ride Clan. Flag raising took place at 8am the flags raised were the following; Theodore Lone Fight Jr., Meredith Dreke Irwin and Eric Dion Smith Sr. There was an adoption of Dennis Nez into the Knife Clan. Then grand entry took place with all these clans participating. Throughout the gathering of this celebration, there were a number of specials held. They had the Team dance for all ages, switch dance for men and women, Veterans & Lady Auxiliary dance special (no regalia required).

In the photo to your left are the color guard being introduced to everyone. Before the celebration started. In the upper photo Clans dancing in grand entry.

Mandaree Celebration Gathering

Banners with names of our Clans were set up and tables were placed in front of each banner with Clan t-shirts. So Clan members can help themselves to their Clan t-shirts. They had different colors for each of our seven Clans each t-shirt had their Clan names in Hidatsa.

Jodi Simpson, Florene Halvorson, Councilwoman Glady's Sherry Turner-Lone Fight, Mike Tobin, Colleen Halvorson and Rayne Brown.

Members of the Maagarishda Language Nest Project gathered at the celebration to honor Nal'ilima Gaison from Hawaii who assisted the Maagarishhda Hidatsa Nest project. Speaking to the crowd is Mary Gachupin, sitting is Martha Bird Bear, other instructors; Sally White, Gloria Fast Dog, and Bernadine Young Bird.

Instructors of the Maagarishda language Nest Project wanted to acknowledge Nal'ilima Gaison and gifted him with a star quilt.

Councilwoman Sherry Turner-Lone Fight also honored Mike Tobin Co-Owner of Coolsy's has been working with West Segment as their service provider for all the plumbing, air conditioning, heating, lighting service we need for our housing units. Mike believes in what the CARE program is doing and provided a lot of service for that building. He told Councilwoman that he will write it off so he did that and saved West Segment a lot of money. In return, Councilwoman Sherry Turner-Lone Fight wanted to honor him at the Celebration Gathering so she did just that and honored him with a beautiful star quilt.

Standing beside the motorcycle in the white blouse is SSGT Michael Howe's mother Delma Fox as she stands with her grandchildren and relatives.

Other events that took place before the Celebration Gathering began. First of all there was a feed for all mourners and that was held on Thursday before the celebration. On that same day they had diabetes blood screening. On July 17th there was a memorial ride for the ones we lost to COVID-19, drugs and alcohol.

Monte and Denise Lincoln sponsored a Memorial Walk/run for SSGT Michael Howe. A memorial bingo was held in memory of Mary Jo Packineau with a feed at the Water Chief Hall.

Throughout the days before these were some of the activities that took place before the celebration began. Walk/Run, Memorial Ride and Memorials were held during this time.

Another Memorial was held by family members for Mary Jo Packineau. A bingo and feed was held at the Water Chief Hall.

Many came to play bingo and enjoyed the many prizes that were given away to the winners who won at bingo.

New Progressive Education Director for West Segment

Greetings to the many readers of the West Segment News. I am **B e r n a d i n e T . Fredericks~Mendez**, Director of the Progressive Education Department. I am a proud member of the MHA Nation I have lived in Mandaree West Segment my whole life. My father is the late Patrick (Pat) Fredericks and my mother is the late Mabel (Melvina) Fredericks. I am married and we have two daughters who

attend the Mandaree Public School, just like I did many years ago. I attended college in New Town which at the time was called FBCC but is now NHSC. I have taken courses through the University of Mary and I.A.I.A. I am currently continuing my University of Mary degree.

I am very excited about the new program we are starting in Mandaree. I would like to share some of that information now as well. We are hoping to help our community members who haven't received their High School diploma reach that achievement through an online degree course.

I will list what we can help in getting our community members certified in other areas as well; Safeserv, Food Handlers' Cert., First Aid and a Drivers License to name a few. We are just starting out I would like to encourage our members to stop by and sign up.

We are looking for suggestions on other areas of interests for our program if you come up with suggestions, please feel free to let me know.

The Progressive Education Department is here to help you get an education in school and other areas of interest.

We are located inside the Water Chief Hall we encourage any questions, comments, or suggestions you may have to help us serve you better.

Mandaree Elders Enjoy Bingo Outside Elders Building

Many elders in our community always enjoy a time where they can play bingo. The MHA Aging Services and site did just that and had bingo. All elders who came got to sit in their vehicles and enjoy playing bingo. A lot of door prizes were given

away. We all had our lunch there while we all played bingo. During the break time all elders were given a banana split to cool down.

Here are a few pictures from the Mandaree Elders bingo.

Pictured below is a happy Rosie Johnson enjoying bingo.

Packineau, Finley play in 2021 ND Shrine Bowl.

Submitted by Kevin Finley

“Why are you here, why are YOU here?” was the question asked to the players by the keynote speaker for the 2021 ND Shrine All-Star Football game banquet which was attended by well over 500 family members of the players and their fans in Fargo ND on June 19, 2021. “You are here because we, as a committee, went out and got the best football players North Dakota has to offer and even more importantly for your citizenship on and off the field in the communities that you are representing here today.” The players arrived at Mayville State University on June 15, 2021 for a week of 2-a-day practices. On Saturday June 19, 2021 the teams traveled to Fargo for their pre-game banquet. At capacity filled banquet the players were given the opportunity to introduce themselves and their respective schools. A very nice meal was served followed by an auction of Shrine Bowl player autographed memorabilia which were 2 Shrine Bowl helmets and 2 footballs, one of the helmets was auctioned off for \$4,500.00 with all proceeds going to the Shrine foundation which helps kids who can’t walk and kids whom are born with correctable birth defects across the country, which is an even bigger reason these kids play this very game.

MHA Nation enrolled members Stephan Packineau, a 6’3” 320-pound offensive lineman and his 6’7” 360-pound Shiloh Christian “Skyhawk” teammate Dylan Finley, who were coming off Class A back-to-back ND State Playoff appearances and a 2020 Region 4-A Football Championship, which is the 1st in the history of Shiloh Christian School, suited up for the Shrine Bowl west team, Stephan as an offensive lineman and Dylan as a defensive lineman. When they entered the game, their presence was evident as Stephan proved that he belonged with his 2nd team all-state offensive lineman playing ability put in display for all to see; Finley was a constant in the east squad’s backfield, though he drew double and triple teams as he fought his way to the east team’s backfield. These guys

proved that they were a force to be reckoned with in the trenches of this prestigious game. At the games end, the west team had a chance to tie the game but a pass on 4th and goal with no time left on the game clock was knocked out of the hands of its intended receiver and the game ended with the east team winning by a score of 28-21.

Earlier this spring both of these Shiloh Christian School graduates signed National Letters of Intent to enroll at the Wahpeton State College of Science in Wahpeton ND where they will play football for the “Wildcats.” During their signing celebration which was held at the MHA Nation’s state of the art Sage Coulee facility in Bismarck, ND MHA Nation enrolled member Rusty Gillette, a former CBA professional Basketball player and current iFive graphics owner said; “How often do we see 2 Tribally enrolled members who go to the same high school and, as teammates enroll at the same college on the same day to play a college sport?” At the close of his Shrine Bowl keynote address at their keynote speaker said; “Today some of you will put on your football gear for the very last time of your life, the very thing that brought you so much joy and happiness and at times broke your heart will no longer be a part of your life, all you’re going to have after today is the memory of being a high school football player and capping off your career by earning your way to play in today’s game, congratulations on your stellar football careers.” Fortunately, the opportunity to play on past high school has been earned by these MHA Nation model football players. If you believe you can do something and you are willing to sacrifice for it-you can!!

If Only I Could Remember...

As time continues its march onward to infinity, and beyond, I realize that there has become a need to develop certain methods. To help myself remember specific events that I have either experienced or read about.

My personal favorite method is to associate what I want to remember, with a song lyric. It isn't a 100% foolproof way of remembering, but it can be rather humorous at times to say the least. And at times, just the laughing removes the

mind block and the memory once again kicks in.

Personally, I read quite a lot of bible scripture. I enjoy reading about the beginnings of my Christian faith and the events that lead up to where Christianity is now. Associating certain scriptures passages to song lyrics helps me to remember the events that took place according to that specific event. Here are a few examples of what I do to help my memory.

Old Testament scripture mentions a man named Joshua. What was/is Joshua known for? Most people would say that Joshua is known for the battle of Jericho, you know, when the walls came tumbling down. Well, here is the song lyric I use to remember what Joshua did...."a whole lotta shakin goin on". Just a little twist of humor. How about this one...'goodness, gracious, great balls of fire"? That lyric refers to the destruction of Sodom and Gomorrah. And there is this one..enuff is enuff we can't go on, we can't go on no more now." That lyric refers to the Israelites wandering in the desert during the Exodus. And last, but surely not least, is this one..."you're just too good to be true..at long last love has arrived." This lyric refers to the birth, death and resurrection of Jesus the Christ. Then there is this one (I said surely not least before the previous one)..."I can't make you love me if you don't." One of my favorite lyrics. Refers to the gift of "free will" that we are given by God the Father at our moment of Creation. We choose, during our lifetime, to love Him or not...or to follow Him or not.

Whether it be by using song lyrics or by using some other method, the important thing is that we become familiar with the words of scripture. At least familiar enough with the words to make that decision "to love Him or not...or to follow Him or not." Who know...you may even find yourself humming along to your choice of song lyric....?

May God Bless you always

Have a great day with Jesus Christ

Re: Enerplus Vice President's Award

On behalf of Enerplus Corporation, I am proud to present a Vice President's Award to the Mandaree Fire Department.

This award is typically presented to Enerplus employees or groups who have gone above and beyond in various disciplines for the betterment of our company or the communities in which we operate. In this instance we believed that it was appropriate to present the Vice President's award to a non-Enerplus group that clearly demonstrated exceptional performance for the betterment of the community and Enerplus.

We are grateful to the Mandaree Fire Department for going above and beyond in fighting the Little Swallow grass fire in early May of 2021. This fire affected a large portion of the Fort Berthold Indian Reservation and directly threatened numerous Enerplus production facilities on FBIR. The Mandaree Fire Department's swift and efficient response assisted us and the community in keeping people safe. In addition, their actions prevented significant potential damage to property in the area, including numerous Enerplus facilities.

This experience was a clear demonstration of the importance of strong relationships. We are grateful for the response to this fire, and even more grateful for the trust-based relationship we have built with the Mandaree Fire Department.

With gratitude,

ENERPLUS CORPORATION

I am pleased to introduce our newest employee. Please Welcome Tiffany Hunts Along. Tiffany Hunts Along joins us with years of law enforcement/correctional officer background and Human and she recently completed her Peer Support TResources training. She comes in with certification in CPR/First Aid, drug testing and also breathalyzer which is very cost effective for our program because we would normally pay for the certification and have in the past for employees that are no longer here with us SO this is such a blessing to have her expertise. She is a single mother of 3 children and grandmother of two grandsons. She also co-parents with her significant other and they have two sons, one she has for the summer and one will be enrolling in the Mandaree School. Tiffany carefully considered this position with Mandaree C.A.R.E. as she was employed at McKenzie County Corrections in Watford City. Through this opportunity to work in her community, Tiffany and her significant other and their two sons will be making their way home to Mandaree as early as August 27, 2019. Mandaree C.A.R.E. is all about recognizing accomplishments for the recovery community and people that have made this program a success and I recognize that all of the things we are doing that go unnoticed. Sometimes we take people into our homes and we drive at all hours of the night and day to transport people, we also meet with other programs and collaborate and network. The most important quality is being a team player. Our TEAM PLAYER I want to recognize is Mr. Kyle Mandan. Mr. Mandan has proven his willingness to go above and beyond the call of duty as Programs Manager for Mandaree C.A.R.E. He has made calls and spent many hours with families seeking help for their relatives needing recovery. He also has utilized his traditional background to help lots of community members. Most recently Mr. Mandan kept the office rocking and rolling during my leave from the July 7, to the 27th.

Mandaree C.A.R.E. has 4 employees

Obituary

Darrell Birdsbill, 60, Mandaree, left this earthly world on Tuesday, July 13, 2021 at a Mandan Hospice Center.

He was born in Watford City, ND to Cecelia Birds Bill and James Bud Hall. He was a member of the Alkali Lodge. Also he was a member and participated in the Fort Berthold Native American Church and Medicine Butte Sundance.

Darrell attended boarding school from 1st grade to 7th grade in Wahpeton, ND. He then attended Flandreau Boarding School till the 11th grade. He received his High School equivalency in Colorado later in life.

Darrell was one tough cowboy on Fort Berthold from an early age. He was always helping relatives with ranch work and helping them with their horses and could handle the toughest ones and was always jumping on bulls with his brothers.

He participated in rodeos in his younger years. He also was a fancy dancer and a boxer. He knew what tough work was and got it done.

His hard work continued on later in life where he worked on oil rigs in the 80's and then went to work in construction operating heavy equipment. He became an expert in trenching and excavating where he even received numerous awards by companies he was employed with. He was a great crew boss and ran a tight ship with his crews, there was not slacking, just hard work.

Darrell was adventurous for the great outdoors and he was most happy when he was hunting or fishing with family and friends. He knew every honey hole and every coulee from Lucky Mound to the Killdeer Mountains. He enjoyed showing his sons and nephews how to hunt and fish and even showed one of his nieces how to tie on a bottom bouncer. He also loved camping with his wife Jody and kids. Darrell had one of a kind humor; he was always entertaining family and friends with jokes and stories he found humor in everything and anything. Though he was a jokester and tough cowboy he was also a man of God. He found peace, good health, and sobriety through his walk with Creator. He enjoyed going to ceremonies, Sundance and sweat. He was a caring and loving father, brother, uncle and friend whose presence will be deeply missed.
