

COUNCILMAN SPOTTED BEAR'S GREETINGS

JULY 2022 | VOLUME 1 ISSUE 3

Tashka'nito'sha Aame

Greeting to Everyone

I would like to start by extending my condolences to the families and individuals that have recently lost loved ones. I also want to give encouragement to those who are facing challenges and difficulties. I hope things will turn around for the best for you soon.

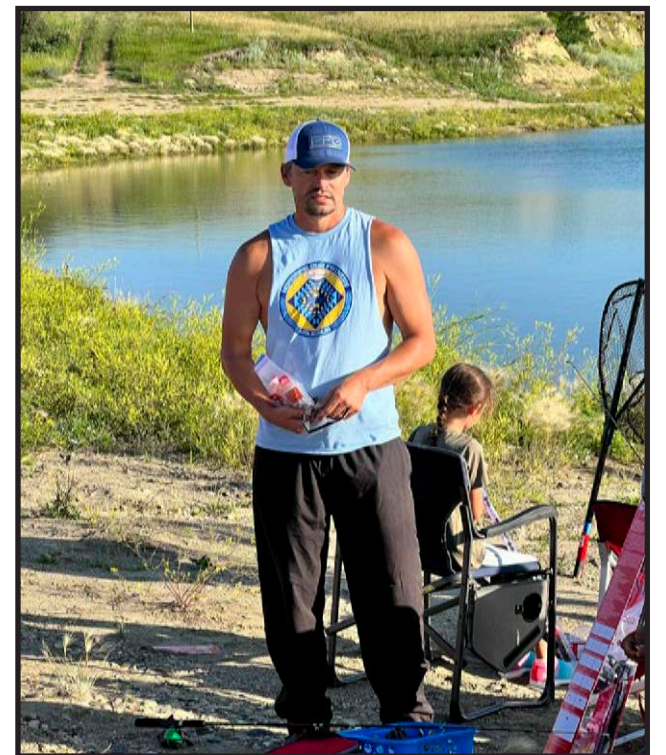

We were blessed with an abundance of rain and moisture this spring and summer. All around us the land is green and plentiful. It is a stark contrast from the major drought last summer to this flourishing summer. Our farmers and ranchers are getting a good hay crop this year and all the medicines are in abundance on the land this season.

I would like to thank everyone that has supported me through two consecutive four year terms on the Tribal Business Council. I have served our community and nation for nearly 8 years now. I am currently the Vice Chairman of the Tribe. The time has flown by. I have more gray hairs than I started with. It has been a wonderful opportunity and the experience that I have gained is valuable. Leadership and decision making requires commitment and dedication. It requires being at the table when resources are available and allocated. It requires diplomacy and good reason. We have built a good team in Twin Buttes. I would like to acknowledge the Twin Buttes Segment staff.

Without the assistance of a hard working staff the community would not look and feel like it does. It is the staff that runs the day to day business that we all count on to answer requests and keep our business moving forward.

There have been many achievements the past eight years. What I am most proud of are the jobs that have been created, the homes that have been built, and the services that have been provided. Our little community is developing and we are moving in a positive direction.

There are several projects that are under construction now. The Twin Buttes Fairgrounds project is well underway and when it is all completed it will be an economic stimulus opportunity for our community and region. With the RV park we will be able to host recreational goers and seasonal visitors which in return will support local opportunity for vendors, food sales, and local services. Our community must capitalize on the increased visitor traffic in order to sustain ourselves. If we do not create a local economy we have no future to be self-reliant. It is important to be self-sufficient as our old people have told us that is how we use to be and how we should be today. We will host the inaugural Twin Buttes Home of the Champions Rodeo at our new fairgrounds at the new rodeo arena on August 5th. (See the poster further in the newsletter).

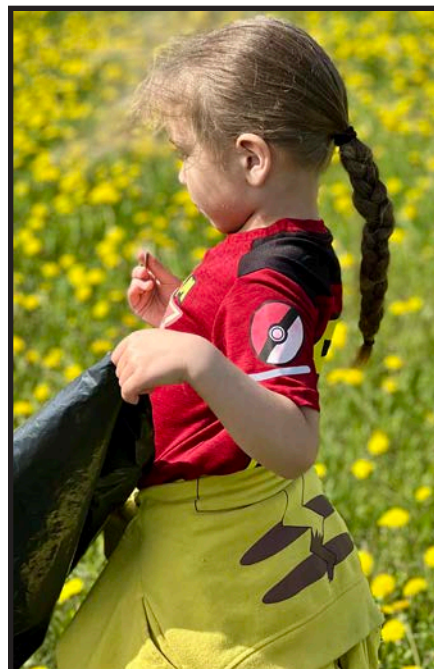

The new clinic construction is nearly complete. There will be many health and wellness related services in the new clinic including but not limited to an ambulance garage. It will serve our communities health care needs for generations into the future. The new roads garage facility has been designed and planned. The new roads building will soon be under construction and the building will be erected end of this summer and the interior of the roads building will get finished throughout winter time. Two of our major gravel roads will be paved this fall season. This should be the last year we have the powwow down at

the lake. Next summer the new powwow grounds will be back near where it originally was to the south of the new community center. Still in progress is the Buffalo pasture and handling facility as well as elk pasture fence.

Some major projects that I would like to continue to pursue in the next few years are the Twin Buttes High School, the elders assisted living building and elders care campus, an eagle aviary, a new housing subdivision, cold storage facility, a new tribal administration building, a renewable energy grid system, a meat processing facility, fire station, green house, and manufacturing plant to create more permanent job opportunities. The Twin Buttes segment staff will be doing a community wide survey asking every man woman and child to fill out and submit a survey asking what our community members and voting membership would like to see in development, services, local opportunities, and recreation in Twin Buttes. I really want to hear from everyone what our local needs and wants are so we can get to work creating those opportunities. Please participate in the survey. We want to hear from everyone. Eight years ago I started with a community-wide survey and a developed plan to execute the work. I got started on that list and knocked most of it out.

The Tribal Business Council as a whole is working very hard; so many meetings, work sessions, and planning ahead for the future of our tribe. There is much to look forward to. I will keep working hard for all of us

and I plan to try to do even more at a more aggressive pace. There are many services our small isolated community needs and depends on.

I would like to send a special thank you to my wife Sierra and her sister Marita who work hard on our newsletter. They always do a wonderful job and I am thankful for their talent and commitment.

Hahoo, A'taro'ni'to'sh.

Thank you, and that is all I have for now.

Fishing 101

“I’m proud of you guys. If you didn’t catch a fish today, you’re gonna catch one next time. Sometimes it’s like that - I’ll go fishing all day and get skunked. That means you didn’t catch a single thing..just caught a cold or maybe you got a lot of bites, but they were mosquito bites. It’s like that sometimes”

CASEY ARNOLD BRIM

January 27, 1966 - May 27, 2022

Casey Arnold Brim, 56, of Carlsbad, NM, passed away Wednesday, May 18, 2022, at Covenant Health in Lubbock, TX. Services will be held at 10:00, Friday, May 27, 2022, at the New Twin Buttes Community Center, Twin Buttes, ND. A wake services will begin at 5:00 PM Thursday and the community Center.

Casey was born on January 27, 1966 in Breckenridge, Minnesota to Victor David Brim and Lilian (Spotted Bear) Brim. Casey was a man of simple taste. He was happiest when cooking a delicious meal at home surrounded by the pets he cared for. He was a kind and loving person who never held back when it came to caring for others. He cared deeply not only for people but all living creatures of the earth without ever asking for anything in return. He was the kind of man who would give you the jacket off his back if he knew you were cold. The kind of man who would give a person his last dollar if he knew it would help improve their life, if only a little. During his life he found joy in technology, video games and family. When computers first came out, he was not only the first in the family to learn how to use one but the first to learn how to program one, making technology work for him. He always had the newest video games and would happily hand them over to the young ones in the family when he was finished with them. His family always looked forward to his Facebook posts about the feast he has prepared for himself that evening. If you were hungry, he would gladly share his meal so that you both could go to bed with a full and happy belly. He wasn't the kind of person who would reach out and stay in touch with everybody but everybody knew that if they would reach out to him he would be there for you no questions asked. Casey was a good man who improved the lives of all those around him. The world was a better place with him around. We hope his memory will inspire others to do good in his name. May his spirit rest in peace.

Casey was preceded in death by his father Victor David Brim, his mother Lilian Spotted Bear Brim and his brother Dean David Brim. He is survived by his brother Albert Homer Brim and several nieces and Nephews.

JUDY (WHITE BEAR) FREDERICKS

Steéshu'taká
"White Corn"

December 18, 1943 - June 15, 2022

Judy (White Bear) Fredericks, December 18, 1943 ~ June 15, 2022 Steéshu'taká "White Corn", 78, of Bismarck, ND formerly of Twin Buttes, ND passed away Wednesday, June 15, 2022. Services will be held at 10:00 AM CDT on Tuesday, June 21, 2022 at St. Joseph Catholic Church, Twin Buttes with Fr. Joseph Evinger officiating. Burial will follow at St. Joseph Catholic Cemetery.

A wake will begin at 5:00 PM CDT on Monday, June 20 at Twin Buttes Wellness Center, Twin Buttes.

Judy Faye Fredericks was born on December 18, 1943, at Nishu on the Ft. Berthold Indian reservation. Her parents were Matthew White Bear Sr. and Alice Eagle White Bear. She was the great-granddaughter of Sitting Bear. Judy was adopted into the Knife Clan by her sister Gwen Hostler, which was witnessed by Rose Marie and Tony Mandan. She attended school in Nishu, Elbowoods, and White Shield, where she graduated in 1961. She then attended Sawyer Business school in California for two years where she learned all the tools that would carry her through her professional career. She then moved home where she worked for White Shield Head Start from 1963 to 1968 where she realized her love of working with children. She then relocated to Bismarck, ND, and began her employment with the North Dakota Game and Fish Department and later for Vocational Rehabilitation. Around this time, she met the love of her life, John "Buzz" Fredericks. As they became more serious, she began to travel between Twin Buttes and Bismarck working by his side for the National Indian Cattlemen's Association. By 1973, she moved to Twin Buttes full-time where she ranched with her husband and their children. In 1990, she began working for Even Start and the Twin Buttes School where she would retire after 24 years of devoted employment and many years of performing a job she truly loved. She moved to Bismarck in 2015 to be near her children and grandchildren who she loved dearly.

(Continued on Page 10)

*(Judy Frederick's Obituary
Continued from Page 9)*

Her retirement allowed her to do the things she enjoyed most. She spent a lot of her time with family, traveling, gardening, and working out. She gained many friends in Bismarck through regularly attending church and "silver sneakers" classes at the YMCA. Judy was a devout Catholic, who believed in the power of prayer. She attended annual Kateri Tekakwitha conferences and even made a trip to Rome to see the holy city. Whenever she couldn't find something, she would pray to St. Anthony, and moments later, the lost item was found. Her strong faith translated to her family in this way.

She had a lifelong love of country and gospel music. She loved to shake a leg on any dance floor and was proud to teach her children and grandchildren how to dance. She also loved to read, and was famous for having a book by her bedside that she would read nightly. She loved taking long walks which often included laps around shopping centers (if you know, you know). Many of her children and grandchildren competed in rodeos. Judy was always in the crowd to show her support and she developed a love for the sport this way. She was a member of the North Dakota Cowboy Hall of Fame and enjoyed attending and supporting their events. Most of all, she loved cooking and baking. If you were ever lucky enough to have the food she had prepared, you know this was one of her greatest skills. She never allowed company to leave her house on an empty stomach.

Judy is survived by her children Gerald White Bear, Les White Bear, Gary Fredericks, Kathy Johnson (Rick), Fred Fredericks (Kimm), her grandchildren Ty White Bear, Kayla Rhone (Zach), Thomas Fredericks, Justice Johnson, and Ashley Fredericks and great-grandchildren Rayden Fredericks, Rakye Fredericks and Ridge Rhone, her brother Paul White Bear (Johanna) and many nieces and nephews.

Judy is preceded in death by her husband John (Buzz) Fredericks; parents Matthew White Bear Sr. and Alice (Eagle) White Bear; sisters Izetta White Bear, Meredith White Bear, and Baby Girl White Bear; brothers Matthew (Jiggs) White Bear Jr. (Opal), Martin White Bear, Gerald White Bear, Myron White Bear Sr., Dorvan White Bear Sr., Merville White Bear, Edmund White Bear Sr. (Nora) and Terry White Bear.

Kamihe Xopini's Inaugural Manapushake Celebration and Harvest

July 18, 2022

Submitted by Melanie Angel Moniz

This year's inaugural Manápushaké (Juneberry) Celebration & Harvest was a huge success and we would like to thank everyone that joined us. We hope you enjoyed your time and we look forward to sharing more Indigenous knowledge, green space, culture, and fun programming with you! Big thank you to everyone who helped make the day possible, by contributing such beautiful positive energy to the event and to the Orchard. We know it will grow stronger and more beautiful in the years to come, many thank you's to you all!

Kamixex Xopini (Sacred Circle Orchard)

The Twin Buttes community orchard was created in 2017, a priority project of Councilman Cory Spotted Bear, whose vision was for a community orchard where community can gather, enjoy, and thrive in good health.

Named Kamixex Xopini (Sacred Circle) because the design is in the shape of a medicine wheel to signify healing and highlights the importance of culture.

Primarily comprised of Juneberries, a cultural treasure and dietary staple to the people of the MHA Nation, the orchard is also home to other fresh fruit that includes currants, cherries, elderberries, apricots, and apples.

Besides providing a wide range of environmental benefits including providing pollinator habitats and sequestering carbon (a goal of reducing global climate change), it also builds opportunities for micro-enterprise, a hands-on food system, and provides a green space for nature education, as well as community gathering and engagement.

Most importantly our orchard is an essential step toward a self-sustaining food system that re-establishes our food sovereignty and creates a path for future generations to thrive in good health and happiness.

- The Twin Buttes Wellness & Sustainability Department is committed to enhancing the well-being of our community through programs that promote culture, connection, and healthy, balanced lifestyles & ecosystems. We look forward to what the future holds for us and generations yet to come.
