What You Can Find: With Filters

The Records Search Website Helps You Find:

The MHA Nation Records Search Page allows users to look up Tribal Business Council resolutions, meeting minutes, agendas, and other official records from the Three Affiliated Tribes Records Office.

The Records Search Filters:

The MHA Nation Records Search system contains many years of resolutions, meeting minutes, agendas, and committee records.

Filters help narrow down results so users can quickly find the exact document they need.

Decide What You Are Searching For

You can search for:

- Resolution number
- Meeting date
- Committee name
- Keyword
- Topic

Examples:

- “Housing”
- “Enrollment”
- “Oil and Gas”
- “Education Committee”
- “25-001-FWF”
- “January 2025”

Search by Keyword

If you do not know the resolution number:

1. Type a keyword related to the topic

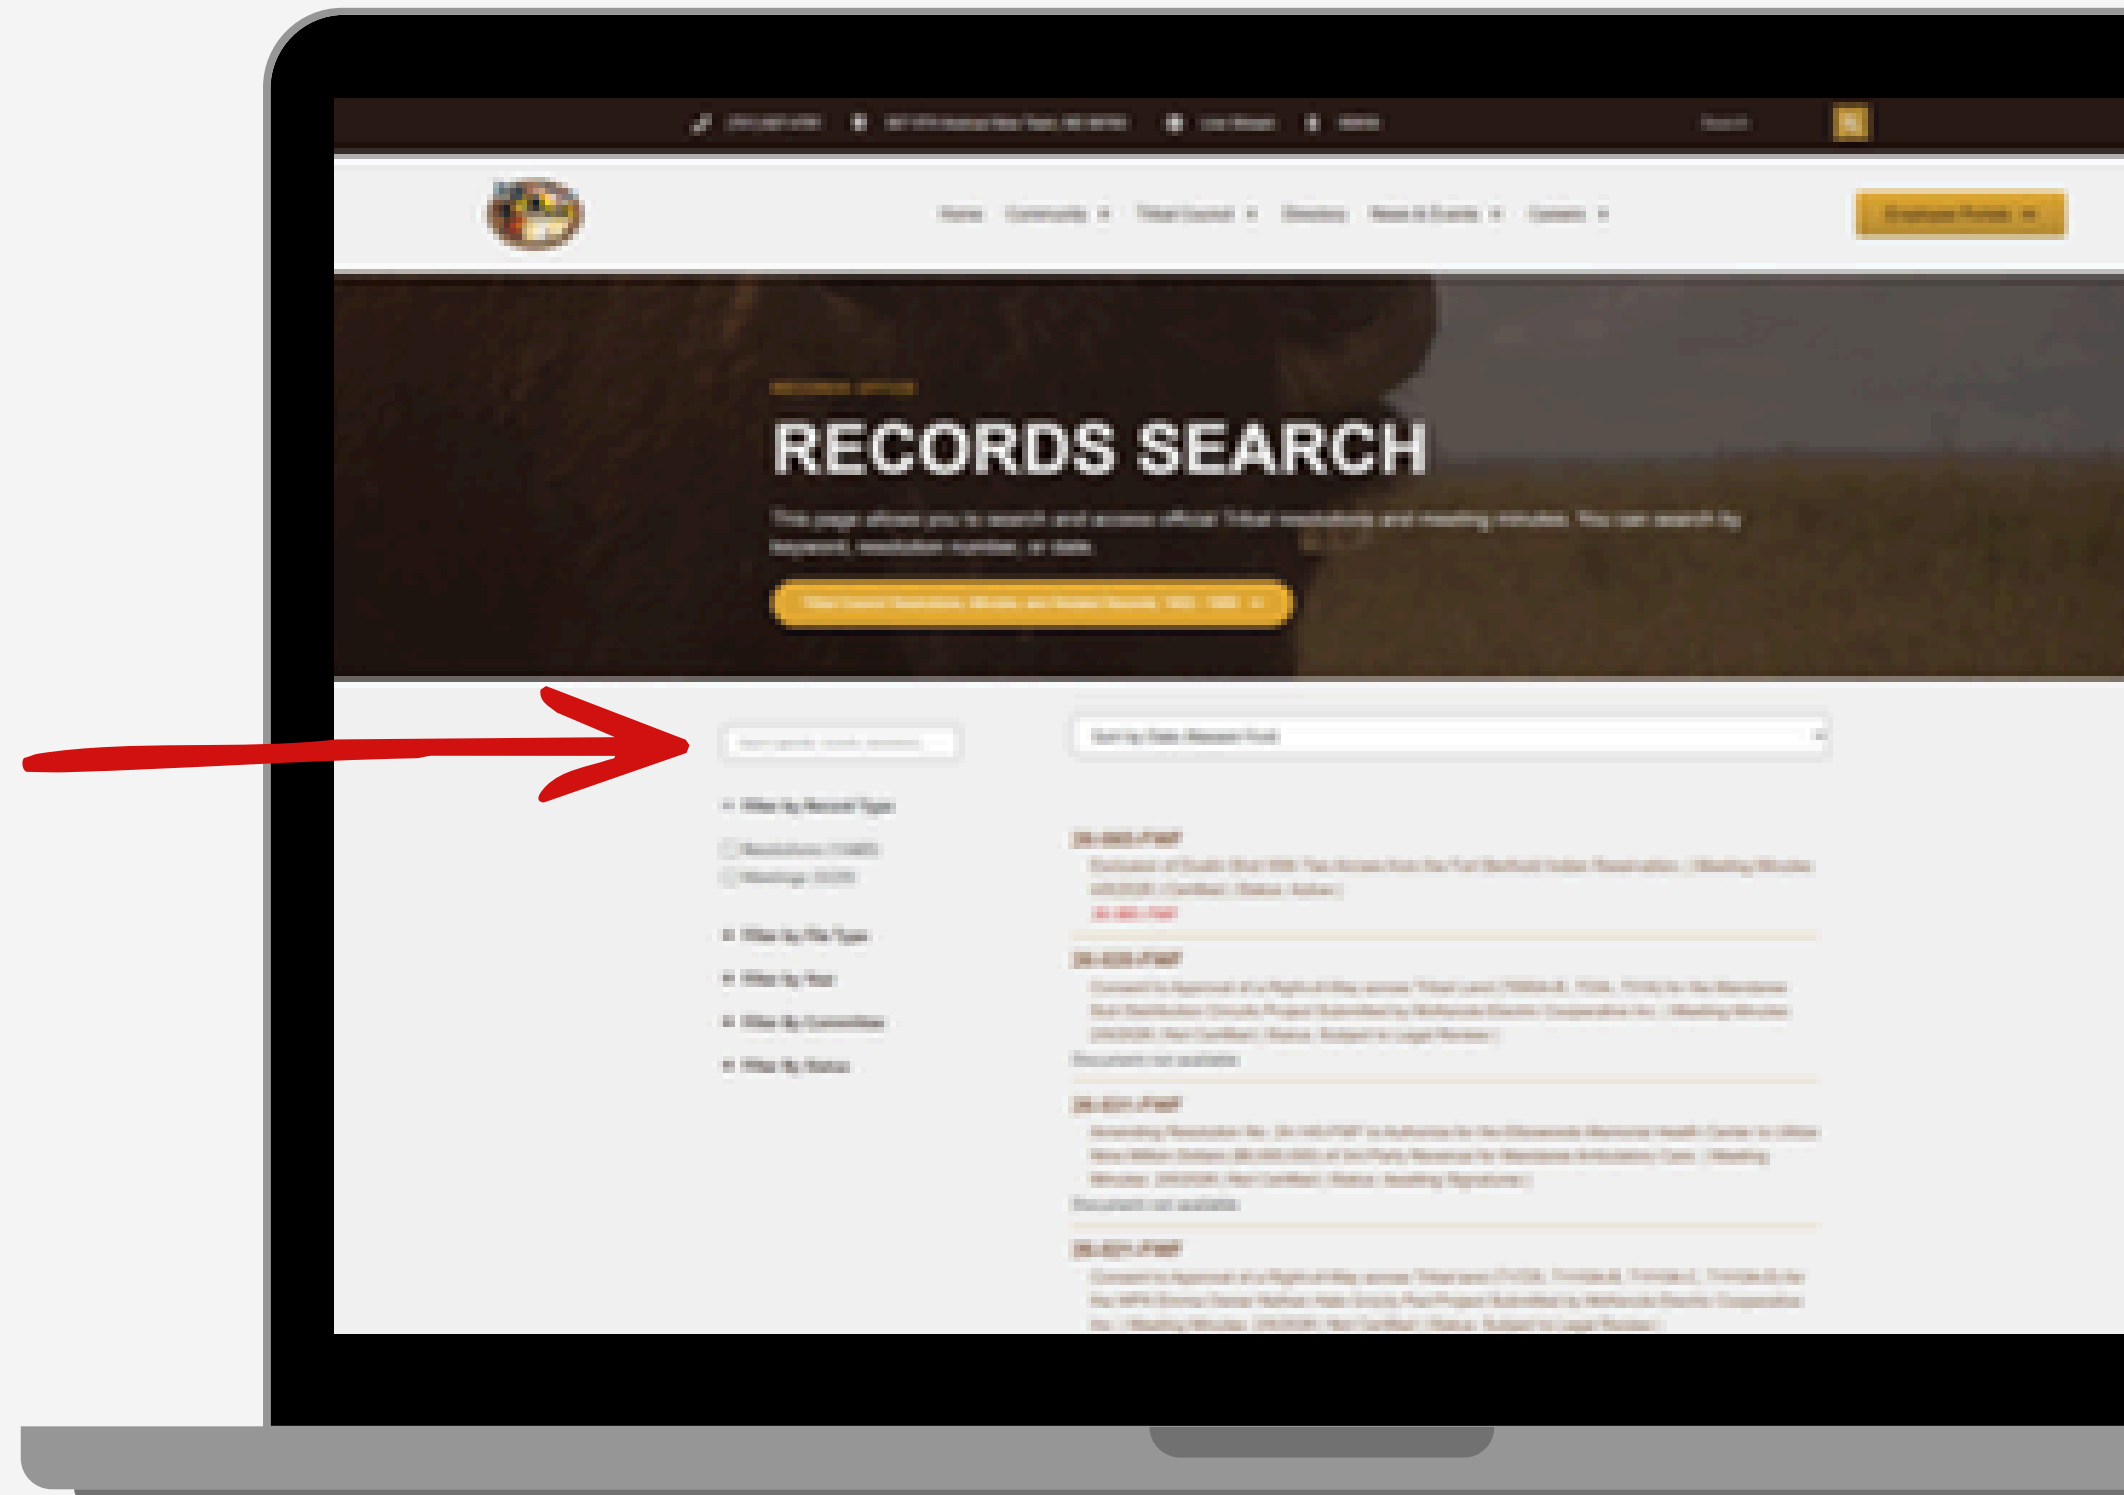

○ Examples:

- Enrollment
- Housing
- Water
- Education

2. Review the search results

3. Click the resolution title to open the document

The records office recommends using detailed keywords to speed up searches.
