

The Three Affiliated Tribes **Job Description**

Behavioral Health Female House Manager II

EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER

REPORTS TO: Behavioral Health Female Lead House Manager DEPARTMENT: MHA Sober Living SALARY: DOQ/DOE CLASSIFICATION: Non-Exempt	FLSA STATUS: FT-Regular LOCATION: 1312 Elbowoods Lane Bismarck ND 58501 OPENING DATE: CLOSING DATE:
--	--

POSITION SUMMARY: MHA Sober Living Program is seeking a highly motivated individual to serve as our Behavioral Health House Manager I. The primary function of this position is to provide supervision and assist guests in getting to their sessions, getting to support services, as well as any other activities deemed as needed by the guests' Behavioral Health team. The House Manager oversees the safety and well-being of our clients and provides supervision on house rules, chores, guests interactions, and scheduled activities. House Managers maintain logs, provide general assistance to clients, give access to medications, and keep the house running safely and smoothly. House Managers also provide both scheduled and emergency transportation to guests using the agency's van. Rehabilitation and role-modeling are critical; providing privacy and safety for guests to participate successfully in the program is required of all staff members. In addition, this position is responsible for ensuring quality service and advocacy to the guests. This role requires collecting urine samples from guests and performing searches of guests and/or their rooms. This position reports to the MHA Sober Living Program Supervisor.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. **Manages the** daily operations of the supportive housing environment, including supervision of guests, monitoring activities, and ensuring adherence to individual recovery schedules.
2. **Develops and implements strategies and plans for** maintaining a structured, safe, and recovery-oriented environment, including oversight of recreation, chores, and daily routines.
3. **Attends meetings, events, and required staff engagements,** including staff meetings, trainings, and in-services, to support communication, collaboration, and professional development.
4. **Oversees guest-related activities and collaborates with the Behavioral Health team** to maintain a safe, supportive, and compliant living environment.
5. **Ensures chain of command is followed** by promptly reporting incidents, unusual events, and emergencies according to organizational policies and procedures.
6. **Attends required trainings, maintains certifications, and applies updated knowledge** to daily responsibilities, including safety, infection control, and compliance standards.

The Three Affiliated Tribes **Job Description**

Behavioral Health Female House Manager II

7. **Assists in completion of documentation and performance-related processes**, including maintaining accurate guest records, case notes, and required charting at the end of each shift.
8. **Ensures projects, programming, and daily operations are in alignment with** organizational policies, recovery goals, legal requirements, and best practices in supportive housing.
9. **Delegates and supports completion of tasks and responsibilities among guests**, including supervision of chores, and participation in recovery-related assignments.
10. **Adheres to MHA Policies & Procedures and departmental guidelines**, including those related to safety, confidentiality (HIPAA and 42 CFR), ethical conduct, and professional standards.
11. **Provides oversight and support for guest services**, including administering drug and alcohol screenings, monitoring visitors for contraband, overseeing medication self-administration, and ensuring compliance with house rules.
12. **Coordinates and provides transportation services** for guests to appointments, recovery activities, and program-related functions using company vehicles.
13. **Maintains facility operations and environment**, including cleanliness, inventory management, supply stocking, housekeeping tasks, and routine safety checks such as bed checks.
14. **Demonstrates professionalism, ethical behavior**, in all interactions with guests, visitors, and staff.
15. **Ensures consistent, reliable attendance and punctuality** in alignment with assigned schedules.
16. **Performs other duties as assigned**, recognizing that responsibilities may evolve based on program and organizational needs.

NOTE: The duties listed are not intended to be all-inclusive. Duties assigned any individual employee are at the discretion of the appointing authority.

SUPERVISORY REQUIREMENTS:

- The requirement for managing others does not exist.

COMPETENCIES:

- **Supportive Housing Operations & Supervision**
Provides consistent supervision of guests and daily activities within a supportive housing environment. Ensures adherence to house rules, structured schedules, and recovery programming while maintaining a safe, stable, and organized living space.
- **Behavioral Health Support & Recovery Facilitation**
Applies foundational knowledge of substance use and mental health disorders to support guests in recovery. Assists with 12-step assignments, therapeutic tasks, and skill-building activities that promote independence and long-term success.

The Three Affiliated Tribes **Job Description**

Behavioral Health Female House Manager II

- **Safety, Compliance & Risk Management**
Maintains a safe environment by enforcing policies related to contraband, conducting screenings, performing room searches, and following all safety, infection control, and emergency protocols. Recognizes and responds appropriately to incidents, behavioral changes, and crisis situations.
- **Documentation & Record Management**
Accurately completes required documentation, including daily logs, case notes, incident reports, and guest charts. Ensures compliance with organizational standards, legal requirements, and best practices in data collection and reporting.
- **Medication Oversight & Health Monitoring**
Supports and oversees guest self-administration of medications in accordance with established procedures. Monitors guest well-being and reports concerns to appropriate clinical staff.
- **Communication & Interpersonal Effectiveness**
Communicates clearly and professionally with guests, team members, and external partners. Demonstrates strong interpersonal skills, including active listening, conflict management, and the ability to build trust with diverse populations.
- **Team Collaboration & Coordination**
Works collaboratively with the Behavioral Health team and other staff to coordinate care, support guest needs, and maintain a cohesive and effective program environment.
- **Daily Living Skills Coaching**
Assists guests in developing and maintaining independent living skills, including personal hygiene, organization, meal preparation, and household responsibilities.
- **Transportation & Community Engagement**
Provides safe and reliable transportation for guests to appointments, recovery meetings, and program-related activities. Supports guest engagement in community-based recovery resources.
- **Professionalism & Ethical Practice**
Demonstrates integrity, professionalism, and adherence to ethical standards, including confidentiality requirements under HIPAA and 42 CFR. Maintains appropriate boundaries and acts as a positive role model for guests.
- **Time Management & Reliability**
Demonstrates punctuality, consistent attendance, and the ability to manage multiple responsibilities effectively within a structured shift environment.
- **Facility Maintenance & Operational Support**
Maintains cleanliness, safety, and organization of the facility, including inventory management, housekeeping tasks, and routine safety checks.
- **Observation, Critical Thinking & Decision-Making**
Utilizes observation and critical thinking skills to assess guest behavior, identify concerns, and make sound decisions. Recognizes when to act independently and when to seek guidance or escalate issues.
- **Resilience & Stress Management**
Maintains composure and effectiveness in high-stress or emotionally complex situations. Demonstrates the ability to work with guests experiencing behavioral health challenges while sustaining professional performance.
